Institution: Private

The school's mission is to partner with parents in the education of their children, developing academic excellence, strong moral character, and a love for learning all within the framework of a nurturing Christian environment. Aside from the usual curriculum of math, English, history and science, the school will also offer exploratory courses in one day, 10-week rotations that will explore unique subjects such as foreign languages, horticulture, drama, photography, sign language, music, health and other topics.
